istanbul center for mathematical sciences

IMBM MATHEMATICS DAYS II

09:00 - 09:30: *Coffee and cookies*

09:30 - 10:30: Varga Kalantarov (Koç University)
The Clay Millennium Problem on Navier-Stokes Equations

10:30 - 11:00: *Coffee break*

11:00 - 12:00: Firdevs Ulus (Bilkent University)
Convex Vector Optimization: Solution Concepts, Algorithms and Tractability

12.00-13.30: *Lunch Break*

13:30 - 14:30: Burak Kaya (Middle East Technical University)
Classification, equivalence relations and descriptive set theory

15:00 - 16:00: Aysel Erey (Gebze Technical University)
On Three Polynomials in Graph Theory

16:30 - 17:30: Özcan Yazıcı (Middle East Technical University)
Complex Dynamics in Higher Dimension

Date: Friday, September 21, 2018

Place : IMBM Seminar Room, Boğaziçi University South Campus
